What's new at Lily School Paris?

The 21st of June we performed our End of the year show "The four seasons are getting crazy!".

We found ourselves in summer, enjoying a hot summer day at the beach... then all of a sudden the weather changed, it changed... it changed and it changed again!

On the notes of Vivaldi we went from summer to winter, then back to autumn, and then straight to spring!

The 4 seasons are really getting crazy!

Nadim and Arthur are leaving us to start primary school next September. We wish them good luck!

Sustainable Development

In just a few weeks, on September 20th will take place the 2025 World Cleanup Day, a worldwide celebration dedicated to cleaning up.

In Paris and the Ile-de-France region, numerous actions are being organized to help clean up our streets and restore cleanliness to gardens, parks and communal spaces.

The website <https://www.worldcleanupday.fr/> collects all the information on this beautiful initiative and will allow you to join the closest clean-up group! So let's go and join this action!

Intergenerational

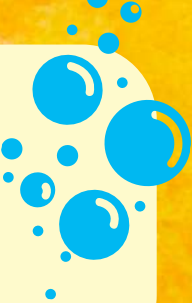

This month the elderly people of the residence "Procession-Quintinie" came with us on our end of year field trip to the castle of Vaux-le-Vicomte! By magic the girls turned into princesses and the boys into princes. We visited the castle room by room and learnt about Nicolas Fouquet and how to bow, we danced, fought against dragons.. kids and seniors together hand in hand.

Kid's Corner

We decided to celebrate the end of the year of Kid's Corner by spending a beautiful day at the aquarium of "Le Palais de la Porte Dorée".

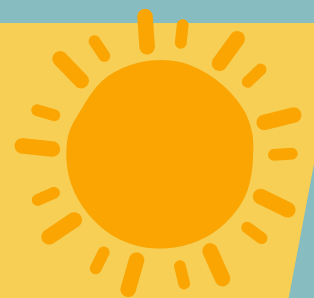

We observed the tropical animals coming from all around the world... the turtle, the clown fish, the stingray... and then we had a picnic in the Bois de Vincennes!

Summer break Kid's Corner week:
FUN IN THE SUN!

July 7th - 11th
July 14th - 18th
